

# VU HONG VIET

## INTERN

### Date of birth

April 28, 2001

### Email

vuviet2804@gmail.com

### Phone

0961476836

### Address

Thanh Xuan, Hanoi

### GitHub

github.com/vietvux289

## OBJECTIVE

Seeking work opportunity in a dynamic company to apply and improve my skills in programming and developing software. I'm excited to join practical projects where I can solve new tech problems and get better at coding in a professional environment. I'm dedicated to learn, work with others, and I believe that I can help projects succeed and support the company's goals while also boosting my career.

## EDUCATION

### Hanoi University

08/2019-06/2024
